MEMORANDUM FOR THE DIRECTOR, JOINT STAFF

SUBJECT: Civil Affairs Proclamation No. 1 (U)

References: a. DJSN-1319-62
b. CINCLANT Message DTG 200036Z

Enclosed is a draft proclamation which received some thought during the recent crisis. It may be of use for planning purposes in place of the draft proclamation contained in reference b. In light of the recent turn of events, however, no action has been taken to obtain mental level approval of any such proclamation.

The introductory WHEREAS clauses would of course require modification in the future depending on possible changing circumstances. Therefore, a revised draft should be referred to my office for final consideration and necessary action if the situation indicates possible imminent authorization to implement CINCLANT OPLANS 304-61 and 316-61, or any other plan requiring issuance of such a proclamation.

In my view the treatment of third country aliens is not a proper subject for such a proclamation. They should be treated in accordance with the provisions of the Geneva Conventions of 1949.

In view of the sensitive nature of this matter, distribution of the draft proclamation should be on a limited basis governed by the strictest interpretation of "need-to-know."

Paul H. Nitze
Assistant Secretary of Defense (ISA)

PROCLAMATION NUMBER ONE (1)

TO THE PEOPLE OF CUBA:

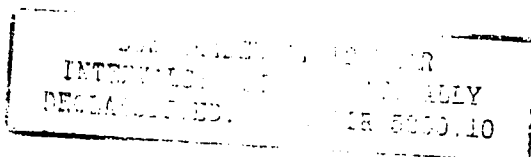

WHEREAS the peace of the world and the security of the United States and of all American States are endangered by reason of the establishment by the Sino-Soviet powers of an offensive military capability in Cuba, including bases for ballistic missiles with a potential range covering most of North and South America:

WHEREAS the Organ of Consultation of the American Republics meeting in Washington on October 23, 1962, recommended that the Member States, in accordance with Articles 6 and 8 of the Inter-American Treaty of Reciprocal Assistance, take all measures, individually and collectively, including the use of armed force, which they may deem necessary to ensure that the Government of Cuba cannot continue to receive from the Sino-Soviet powers military material and related supplies which may threaten the peace and security of the Continent and to prevent the missiles in Cuba with offensive capability from ever becoming an active threat to the peace and security of the Continent;

WHEREAS, it has become necessary for the forces under my command to carry out the abovementioned recommendation of the American Republics by the use of armed force;

REMARKS MEMORANDUM FOR MR. NITZE Director, Joint Staff has requested DOD(ISA) to obtain government- al level approval of a CINCLANT draft initial proclamation, as part of the planning requirements for CINCLANT OPLANS 314-61 and 316-61. The draft submitted contains some deficiencies that are corrected by a pro- posed ISA draft version. Since CINCLANT's initial draft version is now being used for planning purposes, it is advisable to replace it with a more acceptable version.
